

REMARKS

In the Office Action of August 25, 2003, claims 1-6 were indicated as allowable over the prior art, which indication is gratefully acknowledged.

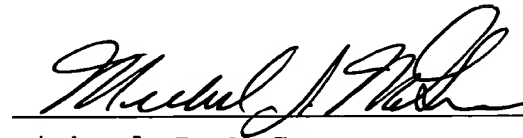

Claims 3 and 5 were rejected under 35 USC 112, second paragraph for lack of antecedents in two instances. These matters have now been corrected by the amendment. Also, matters of grammar have been corrected in claim 1, and at this time the reference numerals, which are not customary in US practice, have been deleted from claims 1-6.

Accompanying this reply is a Letter Transmitting a Copy of the Drawings from the PCT application, which are the drawings in this national phase application.

In view of the amendment, remarks and submission of formal drawings, reconsideration of the application is respectfully requested. Claims 1-6 are still pending and a Notice of Allowance for these claims is respectfully requested.

Respectfully submitted,

By:
